

Club Fees 24-25

We are pleased to confirm that club fees will not be increasing this year. The club is in a good financial position and we are very conscious of the pressures on families at this time.

Senior membership will continue to be £57 and junior membership £52. Last year this included £17 that goes directly to England Athletics so that you are an EA registered athlete. EA has decreed that this will rise to £19 for 2024/25. So by keeping the total fee at £57/52 the contribution to the club will actually fall by £2.

Track fees will also stay the same for 2024 – these are managed via Direct Debit through Love Admin.

Members of Epsom and Ewell Harriers and are also full-time university students (age 18-25) can train on the track for free. Any UK University student who wishes to compete for the club will have reasonable receipted travel expenses paid for by the club.
